

WE'RE BETTER TOGETHER

YMCA OF MUNCIE

The Y.™ For a better us.

The Y is now...as it has always been...a place of possibility and promise for all. Unfortunately, in times when the true power of **“together”** is unknown to many and our bonds are fraying, we must do even more to enhance our human connections. That's why the Y passionately focuses on strengthening communities.

Every day, the Y supports kids, adults, seniors and families with programs that protect, teach, connect, heal, nourish and encourage. Everything we do helps empower communities and the people who live in them to thrive.

We can't do it alone.

KNOWLEDGE IS EMPOWERING

Seventy percent of Kindergarteners in Delaware County are not ready for kindergarten.

Apple Tree provides Pre K readiness programs that increase kindergarten readiness by 50%

“Apple Tree helped me pursue my education and they gave my daughter the opportunity to open up in life. If my daughter hadn’t been at Apple Tree she would’ve been stuck at our apartment and been another year behind.” — Apple Tree Parent

Youth Development

All kids deserve the opportunity to discover who they are and what they can achieve under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development—all grounded in the Y’s core values of caring, honesty, respect and responsibility.

Healthy Living

We help people and families build and maintain healthy habits for spirit, mind and body in their everyday lives. By helping kids, adults, families and seniors from all walks of life improve their health and well-being, we build a stronger community.

Social Responsibility

With our doors open to all, we bring together people from all backgrounds to support those in need. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.

TOGETHER IS NURTURING

Delaware County is one of the unhealthiest counties in Indiana, and ranks higher than the state average in prediabetes, diabetes and high blood pressure.

Through diabetes prevention programs and access to information and activities related to a healthy lifestyle, we can reduce the risk of developing diabetes by up to 71%.

TOGETHER IS LIFE-SAVING

Drowning is the second leading cause of death in children.

Swim lessons that incorporate the SAW (Safety Around Water) program reduce the risk of accidental drowning by 85%.

The Y offers swim lessons with the SAW program on a monthly basis. Kids from around the community come to the Y to learn the skills needed to be a safe swimmer.

TOGETHER IS EMPOWERING

Today, children are not exposed to outdoor activities on a regular basis and are often limited on what they can explore.

On average kids spend over 7½ hours in front of a screen a day and only 4 minutes playing outside.

Camp Crosley provides a wonderful opportunity to get kids not only active, but also outside and involved in nature. With several diverse activities that set kids up to succeed, camp life is a real boost for kids while teaching life skills and building relationships that last a lifetime.
