YMCA of Muncie Water Fitness

Deep Water

This intense deep-water workout is offered year round. Deep Water is performed entirely in the deep end of the pool using the aid of floatation belts. This class is guaranteed to get your heart pumping and muscles toned.

Hydro Fit

This 55-minute class focuses on improving cardiovascular, strength and flexibility by using the water's natural resistance. Most exercises are performed in the shallow end of the pool.

Water Yoga

A unique class offering ample benefits. The design of this class helps gain flexibility and strength while listening to soothing yoga music. Incorporates yoga poses with water resistance.

Silver Splash®

Activate your aqua exercise urge for variety! Silver Splash® offers LOTS of fun and shallow water moves to improve agility, flexibility and cardiovascular endurance. No swimming ability is required, and a special Silver Sneakers® kickboard is used to develop strength, balance and coordination.

Aqua Zumba®

Aqua Zumba® blends the Zumba® philosophy with water resistance for one pool party you shouldn't miss! Less impact on your joints means you can really let loose. And water creates natural resistance, which means every step is more challenging and helps tone your muscles. It's perfect for those looking to make a splash by adding a low-impact, high-energy aquatic exercise class to their fitness routine.

Swim Lessons

Swim Lessons are offered in four-week sessions Monday/Wednesday or Tuesday/Thursday evenings at the Downtown YMCA pool. Each skill level builds upon the previous level covering all the fundamentals. For more information on swim lessons, see the separate swim lesson flyer.
