The Y:
Where
Potential
Meets
Opportunity

As the community changes

the Y finds new ways to support those we serve, but we don't do it alone. The Y's ability to adapt rapidly and meet changing needs is made possible by community partners and generous donors who give from the heart, such as yourself. Your investment in the YMCA ensures that every child has the opportunity to reach their full potential, pursue their dreams, and enjoy each moment.

PROVIDING OPPORTUNITIES

Outdoor education opportunities at Camp Crosley YMCA and Mitchell Early Childhood and Family Center provide children and teens time in nature to learn, grow and thrive. On average, kids spend over 7 hours a day in front of a screen and only 4 minutes playing outside.

With diverse activities that set kids up to succeed, resident camp at Camp Crosley YMCA and Nature Preschool at Mitchell Center both provide a real boost to learning and self-confidence.

PROMOTING WELL-BEING

The LIVESTRONG® at the YMCA program helps cancer survivors regain a new normal with personalized programming and a nurturing environment to heal the spirit, mind and body. By helping participants improve physical strength, cardiovascular endurance and flexibility, we have a direct impact on their quality of life and help minimize the side effects cancer can have.

EMPOWERING CHILDREN

Mitchell Early Childhood and Family Center Pre-K programs increase kindergarten readiness by 50%. In Delaware County, 70% of kindergarteners are not ready for kindergarten. Mitchell Center's licensed teachers provide children with the help and attention they need to be prepared for school.
