

## **Downtown Closing FAQ**

**June 2023**

### **Why are you closing before the new Y is ready?**

- This acceleration of the DT closure date is due to escalated construction cost the new facility and inflation.

### **What will happen to the equipment?**

- We will be moving some equipment to NW and YT to ensure members have ample equipment to use. The remaining equipment will be sold to commercial buyers.

### **Where will I swim?**

- Muncie Central High School pool will be open and available to YMCA members. Schedules will be out soon! The High School pool has a separate entrance so members will not be interfering with school operations or students.

### **Where will my class be?**

- Group Exercise classes and programming will be relocated to the Muncie Central Campus, Northwest Y or Yorktown Y.

### **Where do I park or enter the High School?**

- There is accessible parking North of the Field House and in the Southwest corner of the High School for easy access to Y programs.

### **When will the new facility be ready?**

- We anticipate opening the new facility on the campus of Muncie Central in the first quarter of 2025.

### **What is happening to the Downtown Y?**

- The Downtown Y has been sold to Muncie Redevelopment Commission.

### **Where is the Association Office going?**

- Association offices are being moved to a new location on Columbus Ave, just two blocks east of the new facility.
